

Counseling Services for Fire Fighters

Proudly presents a workshop designed for Fire Officers:

An Internal Size-Up

You, as a fire officer, play one of the most important roles in a firefighter's life. You have direct contact and are there to observe your firefighters emotions as they deal with the everyday happenings of their job. This CSFF workshop will give you a greater sense of awareness on how to properly listen, support and identify behavioral health issues that firefighters and their families face. In the session there will be discussions of the various options that are available to assist in the well-being of your firefighters.

The 4 hour workshop includes:

- Behavioral health definitions
- Signs and symptoms
- Addictions
- Professional health recommendations
- Role play exercise
- Q & A session
- CD and certificate

\$35.00 per attendee

- Drinks and a snack
- Appreciation gifts at welcome table
